

VikoKits

VIKOMA

Protecting our environment over 50 years

Quality
Reliability
Innovation

VikoKits have been expertly constructed to meet a wide range of spill applications, giving you a one stop shop for oil spill response consumables

- It is so easy to overlook the amount of equipment that is needed to effectively respond to an oil spill incident.
- All of our Vikokits have been designed to pack into storage containers which are small enough to be loaded and transported by a 4 x 4.
